Mr. Abe Manley
101 Montgomery Street
Newark, N. J.

Dear Mr. Manley:

I have done all I can on this end. Everything is filled up except the first and thirtieth of April. If either of these dates is suitable let me know at once and send advertising material enough to cover wide area. Expenses of park including lights will be \$25 for the night. Would have written earlier, they wanted to be positive about the open dates. If these dates are not satisfactory please let me know at once because they have other bids for same dates.

Very truly yours,

C. Dillard Jr.
